## 2002 SUBARU FORESTER S

LOCAL & LOADED-ONE OWNER TRADE-IN!! I'll start by saying, I don't usually get too excited about cars that have close to 200k on miles. But I have checked this little Subie out thoroughly and have found it to be in excellent condition through-out!! Cooper tires are in LIKE NEW condition! Inside and out is as clean as a pin. It's had a recent belt service too!! Come and see for yourself! I am sure you we agree, it looks, runs and drives like it had half the miles...speaking of which, when serviced correctly these Subie's can run 400k trouble free! Come see!
